19.00 Dinner

Thursday 28 June

Morning

- 09.00 – CMP7 Costs-benefits analysis
- 09.45 – CMP8 Outreach and Project Coordination

¹ We would like to have 1 single PPT per Component. Each PPT should include all WPs of each Component. Feel free to decide how to present it: only one speaker, one speaker per WP, etc. Please leave at least 30 minutes for discussion.

² The duration of PPT is proportional to the number of WPs.

10.15 Coffee Break

10.30 – Working Group Sessions³

12.30 Lunch

Afternoon

13.30 – Presentations and discussion on the Working Groups results

15.00 – Advisory Board⁴

15.30 Coffee Break

15.45 – Proposals for scientific papers

16.30 – Discussion and final remarks

17.00 – Close of the meeting

³ Working group will be created according to the discussion. There can be parallel session with working groups at Component or WP level, but also on cross cutting issues, like: WG Data Management, WG Benefit Assessment, WG on annual budgets. WG contribution to GEO, WG Scientific publications, etc..

⁴ Shilong Piao will attend the meeting while Robert Key, Humberto Rocha and Joseph Canadell (tbc) will join via WebEx or Skype.
